CURRICULUM VITAE
FORMAT

PERSONAL INFORMATION

Name **SALVATORE MARIA CORSELLO**

CURRENT STATUS

Medical Specialist in Endocrinology and Internal Medicine
Member of the Provincial Register of Surgeons of ROME (Order of the Province of ROME) n. 0000037764
Full professor, disciplinary-scientific area MED/13, UniCamillus International Medical University
Medical Director - Fondazione Policlinico Universitario Agostino Gemelli IRCCS ("Policlinico Gemelli"), Rome

WORK EXPERIENCE

- **from 01/11/2021 - present**

 - Name and address of employer
UniCamillus saint Camillus International University
 - Occupation or position held
Full professor, disciplinary-scientific area MED/13 (Endocrinology)

- **01/03/2007- 01/11/2021**

 - Name and address of employer
Department of Medicine and Surgery Università Cattolica del Sacro Cuore, Policlinico Gemelli, Rome
 - Occupation or position held
Associate Professor, disciplinary-scientific area MED/13 (Endocrinology)

- **01/01/1985- 28/02/2007**

 - Name and address of employer
Department of Medicine and Surgery Università Cattolica del Sacro Cuore, Policlinico Gemelli, Rome
 - Occupation or position held
University Researcher for the group of disciplines n° 60 assigned to the Institute of General Medical Clinic.

- **01/08/1979-present**

 - Name and address of employer
Department of Medicine and Surgery Università Cattolica del Sacro Cuore, Policlinico Gemelli, Rome
 - Occupation or position held
Structured Physician

EDUCATION

- **01/07/1988 - 01/08/1988**

 - Name and type of educational institution
Endocrinology Department, Massachusetts General Hospital, Harvard University, Cambridge (MA)
 - Activity
Short stage

- 05/01/1987 - 12/09/1987**

•Name and type of educational institution St. Bartholomew's Hospital Endocrinology Department, University of London, (Winner of the NATO-CNR Advanced Fellowships)

•Activity Honorary Clinical Assistant
- 08/07/1986**

•Name and type of educational institution Department of Medicine and Surgery Università Cattolica del Sacro Cuore, Rome

•Activity Internal Medicine Residency with full marks and honors
- 27/10/1981**

•Name and type of educational institution Department of Medicine and Surgery Università Cattolica del Sacro Cuore, Rome

•Activity Residency in Endocrinology with full marks and honors
- 28/10/1978**

•Name and type of educational institution Department of Medicine and Surgery Università Cattolica del Sacro Cuore, Rome

•Activity Master's Degree in Medicine and Surgery, with a score of 110/110 cum laude; Dissertation: "Effetto della bromoergocriptina sui risultati del test al metopirone" (advisor: Prof. Enzo Pasargiklian).

EDUCATIONAL ACTIVITY

- from November 2021**

•Name and type of educational institution UniCamillus Saint Camillus International University

•Activity Holder of Endocrinology teaching
- from October 1995 - present**

•Name and type of educational institution Department of Medicine and Surgery Università Cattolica del Sacro Cuore, Rome

•Activity Professor of Endocrinology in Master's degree courses (Medicine and Surgery, Dentistry and Dental Prosthetics).
- from 2001 - 2013**

•Name and type of educational institution Department of Medicine and Surgery Università Cattolica del Sacro Cuore, Rome

•Activity Professor of Endocrinology in Bachelor's degree courses (Physical Education, Nutrition and Orthopaedic Technicians)
- from 1998 - 2006**

•Name and type of educational institution Department of Medicine and Surgery Università Cattolica del Sacro Cuore, Rome

•Activity Professor of Endocrinology , Nutrition and Internal Medicine in University Diploma courses (Nutrition and Physiotherapy)
- from 2002 - present**

•Name and type of educational institution Department of Medicine and Surgery Università Cattolica del Sacro Cuore, Rome

•Activity Lecturer in Endocrinology, Cardiology, Internal Medicine, Neurology and General Surgery Residency courses.
- from 2011 - 2018**

•Name and type of educational institution Department of Medicine and Surgery Università Cattolica del Sacro Cuore, Rome

institution

•Activity

Professor of Endocrine Surgery in Post-graduate degree courses

TEACHING OR RESEARCH ASSIGNMENTS AT QUALIFIED UNIVERSITIES AND FOREIGN OR SUPRANATIONAL RESEARCH INSTITUTES

•from 01/05/2010 - 01/02/2017

•Name and type of educational
institution

Johns Hopkins University of Baltimore (MD) USA

•Activity

Assignment of research assignment on:
"Treatment of hypopituitarism in patients receiving antiepileptic drugs";
"Endocrine side effects of anticancer drugs"

•from 05/01/1987 - 12/09/1987

•Name and type of educational
institution

St. Bartholomew's Hospital Department of Endocrinology, University of London

•Activity

Honorary Clinical Assistant for research on Expansive Pituitary Pathology

MEMBER OF THE COLLEGE OF TEACHERS , NAMELY ASSIGNMENT OF TEACHING ASSIGNMENTS IN THE FIELD OF RESEARCH DOCTORATES

•from 18/05/2020 - present

•Name and type of educational
institution

Department of Medicine and Surgery Università Cattolica del Sacro Cuore, Rome

•Activity

Member of the PhD: "NUTRITION, METABOLISM, AGEING AND GENDER DISORDERS
SCIENCES". Tutor of doctoral thesis

SPEAKER AT SCIENTIFIC CONFERENCES IN ITALY OR ABROAD (MAIN ONES)

•from 07/11/2019 - 10/11/2019

•Event

Speaker at the 18th National Congress AME, Rome. Title of the report: REPLACEMENT
THERAPY FOR HYPOTHYROIDISM "Combination therapy: myth or reality?".

•from 04/10/2019 - 05/10/2019

•Event

Speaker at the 7th Thyroid UpToDate, Rome. Title of the report: "Thyroid replacement therapy
in combination: myth or reality?".

•from 20/06/2019 - 22/06/2019

•Event

Speaker at the World Congress on Thyroid Cancer, Rome.

•from 08/11/2018 - 11/11/2018

•Event

Speaker at the 17th National Congress AME, Rome. Title of the report: "Hyposurrealism

primitive and secondary: iatrogenic forms".

•from 28/09/2018 - 29/09/2018

•Event Speaker at the 6th Thyroid UpToDate, Rome. Title of the report: "Graves' disease: When medical, medical-nuclear, or surgical therapy?".

•from 09/11/2017 - 12/11/2017

•Event Speaker at the 16th National Congress AME, Rome. Title of the report: "Hypocalcemia: Framing and treatment".

•from 06/10/2017 - 07/10/2017

•Event Speaker at the 5th Thyroid UpToDate, Ariccia. Title of the report: "Hypoparathyroidism post-Surgery: how to prevent it and how to manage it".

• 21/06/2017

•Event Speaker at the 7th Thyroid Cancer Forum, ITCO, Rome.

•from 21/06/2017 - 24/06/2017

•Event Speaker at the 39th SIE National Congress, Rome.

•17/11/2016

•Event Speaker at the Congress "Monitoring of endogenous and exogenous molecules: from laboratory to clinical practice" Rome. Title of the report: "The demands of the endocrinologist clinician: When, how and why one year later".

•from 10/11/2016 - 13/11/2016

•Event Speaker at the 15th National Congress AME, Rome. Title of the report: "Microcarcinoma thyroid: natural history".

•from 07/10/2016 - 08/10/2016

•Event Speaker at the 4th Thyroid UpToDate, Ariccia. Title of the report: "Thyroid cytology: what has changed and what can we improve?"

•12/11/2015

•Event Speaker at the Congress "Monitoring of endogenous and exogenous molecules: from laboratory to clinical practice" Rome. Title of the report: "The demands of the endocrinologist clinician: When, how and why".

•from 05/11/2015 - 07/11/2015

•Event Speaker at the 14th National Congress AME, Rimini. Title of the report: "treatment with radioiodine of hyperthyroidism".

•from 21/10/2015 - 24/10/2015

•Event Speaker at the 117th SIC National Congress, Milan.

•from 07/10/2015 - 10/10/2015

•Event Speaker at the 32nd Congrès Société Française d'Endocrinologie. Angers. Title of the report: The thyroid adverse effects of novel anti-neoplastic agents.

- from 08/09/2015 - 10/09/2015

 - Event Speaker at the Congress "Congreso Integrado de Sociedades de Adolescencia, Montevideo, Uruguay.

- from 10/06/2015 - 13/06/2015

 - Event Speaker at the Annual European Congress of Rheumatology "EULAR 2015". Rome, Title of the report: The impact of immune checkpoint inhibitors on autoimmunity: endocrine effects side effects of cancer immunotherapy.

- from 16/05/2015 - 20/05/2015

 - Event Speaker at the 17th European Congress of Endocrinology, Dublin. Title of the paper: "Drug induced hypopituitarism".

- from 06/11/2014 - 09/11/2014

 - Event Speaker at the 13th National Congress AME 2014, Rome.

- from 03/10/2014 - 04/10/2014

 - Event Speaker at 2nd Thyroid UpToDate, Rome. Ariccia. Title of the report: "Surgical techniques Innovative: minimally invasive, robotic, radio and echo-guided surgery".

- from 12/09/2014 - 13/09/2014

 - Event Speaker at the Conference "4th Thyroid Cancer Forum", Rome.

- from 07/11/2013 - 10/11/2013

 - Event Speaker at 12th National Congress AME, Bari. Title of the report: "Medical treatment of nodular goiter: still to be considered? Yes, may be of use".

- from 09/10/2013 - 11/10/2013

 - Event Speaker at the 33rd Annual Meeting British Association of Endocrine and Thyroid Surgeons (BAETS), Rome. Title of the report: US and US-guided operative procedures for endocrine and thyroid surgeons.

- from 27/09/2013 - 28/09/2013

 - Event Speaker at the Thyroid UpToDate, Ariccia. Title of the report: "Replacement therapy of hypothyroidism: where are we?".

- from 15/03/2013- 16/03/2013

 - Event Speaker at the Conference "Jornadas de Actualizacion en Salud Integral del Adolescente". Buenos Aires.

- from 17/12/2012 - 18/12/2012

 - Event Speaker at the meeting "UpToDate Cushing Disease", Naples.

- 28/01/2012

- Event Speaker at the workshop "Thyroid and pregnancy" (sponsored by AIT and SIE). Rome.

- from 14/10/2011 - 16/10/2011
 - Event Speaker at the 11th National Congress AME, Udine.

- from 15/11/2010- 20/11/2010
 - Event Professor at the advanced course "The integrated approach to the adolescent crisis", Rome.

- from 05/11/2010 - 07/11/2010
 - Event Speaker at the 10th National Congress AME, Naples.

- 25/09/2010
 - Event Speaker at the workshop "Thyroid is woman: prevention, diagnosis and therapy of thyroid diseases in the female sex thyroid diseases in the female sex", Rome.

- from 24/06/2010 - 26/06/2010
 - Event Spekaer at the XXIX SIEC Congress, Palermo.

- from 19/06/2010 - 26/06/2010
 - Event Professor for the course "Diagnostica di laboratorio nelle disfunzioni dell'asse ipotalamo-ipofisario", Agrigento.

- 16/04/2010
 - Event Speaker at the course "L'età adolescenziale: problematiche peculiari", Recanati.

- 15/01/2010
 - Event Speaker at the course "Gestione dell'orbitopatia tiroidea", Rome.

- 04/12/2009
 - Event Spekaer at the 2nd National Congress AIDECO, Rome.

- from 04/12/2009 - 06/12/2009
 - Event Chairman at the workshop "Novel insights in the management of Cushing's syndrome", Naples.

•from 19/11/2009 - 22/11/2009

•Name and type of educational institution

Speaker at the 9th National Congress AME, Milan.

•19/11/2009

•Event

Speaker at the "7th Corso teorico-pratico di Patologia e Citopatologia della Tiroide", Rome.

•from 17/06/2009 - 20/06/2009

•Event

Speaker at the Joint Congress of Endocrine Surgery, Rome.

•15/05/2009

•Event

Professor at the course "Chirurgia Laser dermatologica", Rome.

•28/03/2009

•Event

Speaker at the Congress "Noduli e tumori della tiroide: stato dell'arte", Carpi.

•from 11/12/2008 - 12/12/2008

•Event

Speaker at the 2nd residential course "Neoplasie del sistema Endocrino".

•08/11/2008

•Event

Speaker at the Congress "Approccio multidisciplinare alla patologia nodulare surrenalica", Rome.

•from 13/05/2008 - 14/05/2008

•Event

Speaker at the Congress "Aspetti Endocrini nella Patologia Dermatologica", Rome.

•11/04/2008

•Event

Professor at the course "Chirurgia Laser dermatologica", Rome.

•from 28/11/2007 - 29/11/2007

•Event

Speaker at the "6° Corso teorico-pratico di Patologia e Citopatologia della Tiroide", Rome.

•from 18/10/2007 - 20/10/2007

•Event

Speaker at the Residential Course "Neoplasie del Sistema Endocrino", Rome.

•20/04/2007

- Event Speaker at the course “Chirurgia Laser dermatologica”, Rome.

- 08/10/2005
 - Event Speaker at the Congress “Tiroiditi 2005”, Modena.

- 29/04/2005
 - Event Speaker at the course “Chirurgia Laser dermatologica”, Rome.

- from 25/10/2004 - 29/10/2004
 - Event Professor and Chairman at the Italo-Argentine Symposium of Endocrine Surgery, Buenos Aires.

- from 06/06/2004 - 09/06/2004
 - Event Speaker at the Congress “Endocrine Surgery”, Rome.

- 12/06/2004
 - Event Professor at the course “Il corpo e la mente della psicopatologia dell’adolescenza”, Rome.

- 02/02/2002
 - Event Speaker at the meeting “Acne, medicina e società”, Rome.

- 18/11/2000
 - Event Speaker at the congress “Gli adenomi ipofisari”, Castellamare di Stabia.

**DIRECTION OR
PARTICIPATION TO THE
ACTIVITIES OF A
RESEARCH GROUP
CHARACTERIZED BY
COLLABORATIONS AT A
NATIONAL OR
INTERNATIONAL LEVEL**

- from 20/06/2018 - 21/03/2020
 - Research project Participation in research group for national study "Handwriting characteristics in patients with overt autoimmune hypothyroidism: a prospective case-control study".
 - final publication 10.1007/s12020-020-02282-9

- from 01/02/2018 - 01/02/2020**

 - Research project Participation in research group for national multicentric study : "Inter- and Intraobserver Agreement in the Assessment of Thyroid Nodule Ultrasound Features and Classification Systems: A Blinded Multicenter Study".
 - final publication 10.1089/thy.2019.0360

- from 11/07/2017 - 08/05/2020**

 - Research project Participation in research group for international study : "Current Management and Outcome of Pregnancies in Women With Adrenal Insufficiency: Experience from a Multicenter Survey"
 - final publication 10.1210/clinem/dgaa266.

- from 01/10/2013 - 30/04/2015**

 - Research project Research group coordinator for study: "Predicting Ovarian Activity in Women with early breast cancer: A Meta-Analysis-Based Nomogram."
 - final publication 10.1634/theoncologist.2015-0183

- from 22/05/2012 - present**

 - Research project Participation in research group Altogether to Beat Cushing Syndrome (ABC)
 - final publication 10.3171/2014.11.FOCUS14766
10.1210/JC.2015-1589
10.1007/s00198-013-2588-y
10.1097/HJH.0000000000000415

- from 07/01/2012 - 10/07/2014**

 - Research project Participation in international research group for the study "The impact of Graves' disease and its treatment on handwriting characteristics".
 - final publication 10.1089/thy.2013.0668

- from 05/05/2011 - 10/09/2013**

 - Research project Coordinator of the international research group (Università Cattolica del Sacro Cuore, Rome; Johns Hopkins University, Baltimore) on the endocrine effects of immune checkpoint inhibitors.
Research topics:
-mAbs and pituitary dysfunction: clinical evidence and pathogenic hypotheses;
-endocrinopathies from ipilimumab: when to start corticosteroids;
-thyreopathies and other endocrinopathies by immune checkpoint inhibitors.
 - final publication Translated with www.DeepL.com/Translator (free version)
10.1530/EJE-13-0434
10.1007/s00280-013-2213-y
10.1089/thy.2013.0241
10.1210/jc.2012-4075
10.1634/theoncologist.2011-0404

•from 01/12/2009 - 10/10/2012

- Research project Participation in national research group for the study "Potential role for retinoic acid in patients with Cushing's disease".
- final publication 10.1210/jc.2012-2328

•from 06/06/2008 - 01/01/2010

- Research project Participation in national research group for the study on the association between benign paroxysmal vertigo benign paroxysmal vertigo and chronic autoimmune thyroiditis.
- final publication 10.1111/j.1365-2265.2008.03311.x
10.1089/thy.2009.0319.

•from 09/07/2003 - 01/02/2005

- Research project Participation in national research group for multicenter study: "Single nucleotide CT60 polymorphisms of the cytotoxic T-lymphocyte-associated antigen-4 gene is associated with Graves' disease in an Italian population".
- final publication 10.1089/thy.2005.15.232

•from 10/03/1995 - 06/09/2018

- Research project Participation in the research group HypoCCS.
- final publication 10.1111/cen.12839
10.1007/s40618-018-0860-x

**SCIENTIFIC
RESPONSIBILITY FOR
INTERNATIONAL AND
NATIONAL RESEARCH
PROJECTS, ELIGIBLE TO
FUNDING ON THE BASIS
OF COMPETITIVE CALLS
THAT REQUIRE A PEER
REVIEW**

•from 19/07/2021 - present

- Research project Research Manager "Registro noduli tiroidei". Project funded LIENA D.1 2021, Università Cattolica del Sacro Cuore, Rome.

•from 31/03/2019 - 09/09/2020

- Research project Research Manager "Valutazione del rischio neoplastico in noduli tiroidei con citologia indeterminata". Project funded LINEA D.1 2'19 and 2020. Università Cattolica del Sacro Cuore, Rome.
- final publication 10.1089/thy.2018.0649. Epub 2019 Oct 23

•from 13/05/2017 - 08/03/2018

- Research project Research Manager “Sensibilità dell'ecocolordoppler della tiroide nella diagnosi di carcinoma differenziato della tiroide”. Project funded LINEA d.1 2017 and 2018, Università Cattolica del Sacro Cuore, Rome.
- final publication 10.1089/thy.2018.0649. Epub 2019 Oct 23.

•from 15/04/2015 - 30/09/2016

- Research project Research Manager “Confronto tra tireoglobulina basale e stimolata nel follow-up del carcinoma differenziato ad intermedio ed alto rischio”. Project funded LINEA D.1 2015 and 2016, Università Cattolica del Sacro Cuore, Rome.

•from 16/04/2013 - 20/09/2017

- Research project Research Manager “Valutazione del fabbisogno di levotiroxina nella terapia sostitutiva in pazienti tiroidectomizzati”. Project funded LINEA D.1 2013, Università Cattolica del Sacro Cuore, Rome.
- final publication 10.1089/thy.2014.0111

•from 22/09/2008 - 09/03/2010

- Research project Scientific Director for the project PRIN eligible for funding: "Analisi del profilo trascrizionale a valenza prognostica nel cancro della prostata: caratterizzazione delle interazioni funzionali tra recettori estrogenici e fattori indotti dall'ipossia (HIFs)".
- final publication 10.1371/journal.pone.0062522. Print 2013.

**RESPONSIBLE FOR
STUDIES AND SCIENTIFIC
RESEARCHES ENTRUSTED
BY QUALIFIED PUBLIC OR
PRIVATE INSTITUTIONS**

•from 26/01/2017 - present

- Research project Study SHP617-400 EU-AIR Plenadren _ Registry of Patients with Chronic Adrenal
- position Insufficiency.
Principal Investigator

•from 01/01/2012 - 01/11/2012

- Research project Cohort/observational Study SERVIER CLE-12911-0215-strontium ranelate
- position Principal Investigator

•from 01/07/2003 - 30/11/2018

- Research project Participation in the international project HypoCCS
- position Co-Investigator

**DIRECTION OR
PARTICIPATION TO
EDITORIAL BOARDS AND
JOURNALS,
ENCYCLOPEDIAS AND
PRESTIGIOUS TREATIES**

•from September 2020 - present

•Journal Frontiers in Endocrinology (Cancer Endocrinology)

•position Member of Editorial Board

•from May 2019 - present

•Journal International Journal of Molecular Sciences

•position Member of Editorial Board

•from October 2018 – March 2019

•Journal International Journal of Endocrinology

•position Guest Editor

•from January 2010 – present

•Journal Minerva Endocrinologica

•position Member of Editorial Board

**MEMBER OF GROUPS
/ASSOCIATIONS**

•ongoing

•Group/association Società Italiana di Endocrinologia

•position Ordinary member

•ongoing

•Group/association Associazione Medici Endocrinologi

- position Ordinary member

- ongoing
- Group/association Endocrine Society

- position member

- from 01/01/2002 - 01/01/2004
- Group/association Società Italiana di Endocrinologia, Lazio

- position Secretary

- from 01/01/2000 - 01/01/2004
- Group/association Società Italiana di Endocrinologia, Lazio

- position Regional Coordination Member

- from 01/01/1995 - 01/01/2000
- Group/association Club Endocrinologico Romano

- position Secretary

ADVISORY SERVICES

- from 1982 - present
- Name and type of educational institution Family Counseling Center of Università Cattolica del Sacro Cuore, Rome (Rome and Naples offices).
- Activity Endocrinology consultant, member of the technical-scientific committee

- from April 2000 - present
- Name and type of educational institution Policlinico Militare di Roma.
- Activity Honorary Consultant

AWARDS AND PRIZES

- January 1987
- Award/prize Winner of the Advanced Fellowship
- Society NATO/CNR
