

## Curriculum Vitae

# Mauro Elio Destino

### WORK EXPERIENCE

01/01/2023 – PRESENT Rome, Italy  
ADJUNCT PROFESSOR, MASTER'S DEGREE IN HUMAN NUTRITION SCIENCE, SAN RAFFAELE ONLINE UNIVERSITY  
Supplementary teaching "Applied Dietetic Sciences and Techniques" - SSD: MED/49. Area 06 - Medical Sciences. In-person and online.  
Industry: Education, University Department

01/01/2022 – PRESENT Rome, Italy  
ADJUNCT PROFESSOR, MASTER'S DEGREE IN HUMAN NUTRITION SCIENCE, SAINT CAMILLUS INTERNATIONAL UNIVERSITY OF HEALTH AND MEDICAL SCIENCES (UNICAMILLUS)  
Teaching integrated course "Food Quality and Microbiological Safety" - SSD: AGR/16. Area 07 - Agricultural and Veterinary Sciences.  
Inperson and online.  
Industry: Education, University Department

01/01/2016 – PRESENT Camerino, Italy  
CONTRACT PROFESSOR, 2ND LEVEL MASTER'S IN NUTRITION, NUTRACEUTICALS, AND APPLIED DIETETICS, UNIVERSITY OF CAMERINO  
Teaching "Vegetarian/Vegan Nutrition in Physiological Conditions" - SSD: BIO/10. Area 05 - Biological Sciences. In-person and remote.  
Industry: Education, University Department

01/03/2024 – PRESENT Foggia, Italy  
CONTRACT PROFESSOR, 2ND LEVEL MASTER'S IN OFFICIAL FOOD CONTROL AND FOOD SAFETY (CUASA), UNIVERSITY OF FOGGIA - DEPARTMENT OF AGRICULTURAL SCIENCES, FOOD, NATURAL RESOURCES, AND ENGINEERING  
Teaching "Nutritional Prevention, Evidence-Based Approach" (SSD: MED/49). Area 06 - Medical Sciences. Remote teaching.  
Industry: Education, Institutional Activities Department

01/01/2013 – PRESENT Barcelona, Spain  
LECTURER, TUTOR, AND CO-AUTHOR, 1ST LEVEL INTERNATIONAL MASTER'S IN VEGETARIAN NUTRITION AND DIETETICS, FUNIBER (IBEROAMERICAN UNIVERSITY FOUNDATION) AND POLYTECHNIC UNIVERSITY OF MARCHE  
E-learning teaching, thesis review, student tutoring. Languages [IT] [EN] [FR].  
Industry: Postgraduate Education, University Department

25/07/2024 – 06/09/2024 Lecce, Italy  
FULL MEMBER OF THE STATE EXAM COMMISSION FOR THE BIOLOGIST PROFESSION, UNIVERSITY OF SALENTO  
Candidate examiner. Designation by the National Order of Biologists.

01/01/2020 – PRESENT Mesagne, Italy  
NUTRITIONIST, APULIA DIAGNOSTIC  
Clinical Nutrition Department, Food Science Clinic.  
Industry: Healthcare and Social Assistance

01/01/2021 – 01/01/2022 Lecce, Italy  
BUSINESS DEVELOPMENT CONSULTANT, OSM - OPEN SOURCE MANAGEMENT, BLT  
Business analyst and trainer.  
Industry: Other Service Activities

01/01/2013 – PRESENT Centobuchi (AP), Italy  
SOFTWARE DEVELOPMENT CONSULTANT, KEYSON SRL  
Management Department, Development Director for implementing management requirements.  
Industry: Other Service Activities

01/01/2007 – 01/01/2008 Venice, Italy  
PROJECT MANAGER, ICT, SSVN - SCIENTIFIC SOCIETY OF VEGETARIAN NUTRITION  
Scientific projects for funded calls.  
Industry: Professional, Scientific, and Technical Activities, Project Development Department.

## **EDUCATION AND TRAINING**

30/11/2000 – 30/11/2004 Ancona, Italy  
SPECIALIST IN FOOD SCIENCE  
Polytechnic University of Marche, School of Specialization in Food Science  
Field of study: Applied Nutrition, Faculty of Medicine and Surgery  
Final grade: 70/70 with honors  
EQF Level: Level 8 EQF  
Thesis: Nutrition in Pediatric Age

09/12/1996 – 09/12/1998 Bologna, Italy  
SPECIALIST IN FOOD CHEMISTRY AND TECHNOLOGIES  
University of Bologna, School of Specialization in Food Chemistry and Technologies  
Field of study: Food Technologies, Faculty of Industrial Chemistry  
Final grade: 50/50 with honors  
EQF Level: Level 8 EQF  
Thesis: Microbiology and HACCP System

01/01/1996 – PRESENT Bologna, Italy  
SENIOR BIOLOGIST  
University of Bologna  
Law of January 4, 1993, n. 19 - Regulation of the Biologist profession  
Field of study: State exam for professional qualification, Registered with the Regional Order of Biologists Puglia and Basilicata

10/03/1989 – 10/03/1994 Bologna, Italy  
DEGREE IN BIOLOGICAL SCIENCES  
University of Bologna, Faculty of Science  
Field of study: Biology, Microbiology, Genetics, Biochemistry, Molecular Biology  
Final grade: 100/110  
EQF Level: Level 7 EQF  
Thesis: Molecular Genetics

01/06/2022 – 01/06/2023 Lecce, Italy  
MASTER'S IN "GUIDANCE AND COACHING"  
ADSUM, Region of Puglia  
Field of study: Coaching, Communication, Marketing, Helping Relationships  
Final grade: 90/100  
National classification: Post Master's Degree  
Thesis: Coaching in Sports

CURRENT New York, United States  
CERTIFICATION "CAPM - CERTIFIED ASSOCIATE IN PROJECT MANAGEMENT"  
Project Management Institute (PMI)  
Field of study: E-Learning for Project Management and Corporate Coaching  
National classification: Post Master's Degree

01/01/2015 – 01/01/2016 Centobuchi (AP), Italy  
SPECIALIZATION IN "BIOMEDICAL COMPUTER SCIENCE"  
Keyson srl  
Field of study: Computer Applications for Bromatological Data Processing and Dietary Patterns

01/01/2016 – 01/01/2017 Rome, Italy  
SPECIALIZATION IN "CBT - COGNITIVE BEHAVIORAL THERAPY"  
Beck Academy  
Field of study: Cognitive Behavioral Treatments, Obesity, and Eating Disorders

## **DEGREE COMMITTEES**

13/03/2024 – 13/03/2024  
Full member, appointed by the Rector  
San Raffaele Telematic University, Rome  
Evaluation, scoring, and graduation of Master's Degrees in Human Nutrition Science

13/11/2023 – 14/11/2023

Full member, appointed by the Rector

San Raffaele Telematic University, Rome

Evaluation, scoring, and graduation of Master's Degrees in Human Nutrition Science

05/07/2024 – 08/07/2024

Full member, appointed by the Rector

San Raffaele Telematic University, Rome

Evaluation, scoring, and graduation of Master's Degrees in Human Nutrition Science

## **THESIS SUPERVISOR**

Nutrition, Social Media, and Health Risks

Fall session 2023. Master's Degree in Human Nutrition Science. "Unicamillus" University, Rome

Integrated Approach to Weight Management: Synergies Between Diet, Physical Activity, and Gut Microbiota Modulation

Fall session 2023. Master's Degree in Human Nutrition Science. San Raffaele University, Rome

Women's Health: Physiology and Nutrition

Fall session 2023. Master's Degree in Human Nutrition Science. San Raffaele University, Rome

Plant Proteins and BCAA Supplementation for Sarcopenia Prevention and Treatment

Fall session 2023. Master's Degree in Human Nutrition Science. San Raffaele University, Rome

Protein Supplements and Sugar-Free Beverages in the Fight Against Overweight

Fall session 2023. Master's Degree in Human Nutrition Science. San Raffaele University, Rome

Nutrition in Sports Practice: Swimming and Macronutrients

Fall session 2023. Master's Degree in Human Nutrition Science. San Raffaele University, Rome

Benefits and Limitations of a Vegetarian Diet During Pregnancy and Lactation

Fall session 2023. Master's Degree in Human Nutrition Science. San Raffaele University, Rome

Eating Disorders and the Female Athlete Triad: When Social Norms and Sports Turn Against Well-Being

Fall session 2023. Master's Degree in Human Nutrition Science. San Raffaele University, Rome

The Importance of the Mediterranean Diet as a Prevention Tool

Fall session 2023. Master's Degree in Human Nutrition Science. San Raffaele University, Rome

The Role of Steroids in Body Recomposition

Fall session 2023. Master's Degree in Human Nutrition Science. San Raffaele University, Rome

Gut Microbiota Health: Investigation on Its Role Against Osteoporosis

Fall session 2023. Master's Degree in Human Nutrition Science. San Raffaele University, Rome

The Practice of Mindful Eating: The Power of Awareness in Nutrition

Fall session 2023. Master's Degree in Human Nutrition Science. San Raffaele University, Rome

Nutrition and Supplementation for Master Swimmers: Practices and Guidelines

Fall session 2023. Master's Degree in Human Nutrition Science. San Raffaele University, Rome

Nutritional Approaches to Cardiovascular Disease Prevention

Fall session 2023. Master's Degree in Human Nutrition Science. San Raffaele University, Rome

Nutrition in Diabetic Patients: The Importance of Nutritional Value in Managing Disease Risk Factors

Fall session 2023. Master's Degree in Human Nutrition Science. San Raffaele University, Rome

Intermittent Fasting vs. Traditional Calorie Restriction: A Comparison in Weight Loss

Fall session 2023. Master's Degree in Human Nutrition Science. San Raffaele University, Rome

The Role of the Mediterranean Diet in Osteoporosis Prevention

Fall session 2023. Master's Degree in Human Nutrition Science. San Raffaele University, Rome

The "VLCKD" Diet in Managing Obesity and Its Metabolic Complications  
Fall session 2023. Master's Degree in Human Nutrition Science. San Raffaele University, Rome

The Plant-Based Diet as a Lifestyle  
Fall session 2023. Master's Degree in Human Nutrition Science. San Raffaele University, Rome

Hygienic-Nutritional Quality and Safety of Frozen Foods with HACCP System Application  
Fall session 2023. Master's Degree in Human Nutrition Science. "Unicamillus" University, Rome

Food Contamination by Pathogenic Microorganisms  
Fall session 2023. Master's Degree in Human Nutrition Science. "Unicamillus" University, Rome

Functional Gastrointestinal Disorders and Anorexia Nervosa: Importance of Management and Treatment for a Proper Recovery Path  
Spring session 2024. Master's Degree in Human Nutrition Science. San Raffaele University, Rome

Preeclampsia in Pregnancy: The Role of the Mediterranean Diet  
Spring session 2024. Master's Degree in Human Nutrition Science. San Raffaele University, Rome

Anorexia Nervosa: The Role of the Nutritionist  
Spring session 2024. Master's Degree in Human Nutrition Science. San Raffaele University, Rome

Vigorexia: Analysis and Evolution of the Disorder in the Age of Social Media and High-Protein Diets  
Spring session 2024. Master's Degree in Human Nutrition Science. San Raffaele University, Rome

Multidisciplinary Approach to Osteoporosis Management in Anorexia Nervosa  
Spring session 2024. Master's Degree in Human Nutrition Science. San Raffaele University, Rome

Eating Disorders in the Age of Social Media  
Spring session 2024. Master's Degree in Human Nutrition Science. San Raffaele University, Rome

Nutritional Education in Italy: A Comprehensive Look at Consumption, Labels, and Dietary Guidelines for Fostering Nutritional Awareness  
Spring session 2024. Master's Degree in Human Nutrition Science. San Raffaele University, Rome

The Impact of a Vegetarian Diet on Athletes  
Spring session 2024. Master's Degree in Human Nutrition Science. San Raffaele University, Rome

Examination of Dietary-Nutritional Approaches to Weight Loss  
Spring session 2024. Master's Degree in Human Nutrition Science. San Raffaele University, Rome

Weight Stigma in Healthcare: Comparing Therapeutic Approaches  
Spring session 2024. Master's Degree in Human Nutrition Science. San Raffaele University, Rome

The Effectiveness of Integrated Nutritional Rehabilitation and Psychoeducation in Anorexia Nervosa  
Spring session 2024. Master's Degree in Human Nutrition Science. San Raffaele University, Rome

The Impact of Nutrition on Maternal-Fetal Transmission and Breast Milk Composition  
Spring session 2024. Master's Degree in Human Nutrition Science. San Raffaele University, Rome

Oxidative Stress as a Consequence of Urban Life: Study of a Nutraceutical-Based Functional Nutritional Plan  
Spring session 2024. Master's Degree in Human Nutrition Science. San Raffaele University, Rome

Gender Differences: Women's Nutrition  
Spring session 2024. Master's Degree in Human Nutrition Science. San Raffaele University, Rome

When Trauma Consumes You: The Role of the Nutritionist in Eating Disorders Related to PTSD  
Spring session 2024. Master's Degree in Human Nutrition Science. San Raffaele University, Rome

The Role of Immunonutrition in Gastric Cancer  
Spring session 2024. Master's Degree in Human Nutrition Science. San Raffaele University, Rome

Nutrition as a Cure and Support for Heart Diseases  
Spring session 2024. Master's Degree in Human Nutrition Science. San Raffaele University, Rome

Low FODMAP Diet as a Treatment for Irritable Bowel Syndrome and Chronic Inflammatory Bowel Diseases  
Spring session 2024. Master's Degree in Human Nutrition Science. San Raffaele University, Rome

Mens Sana in Corpore Sano: When the Mind Obstructs Health – Orthorexia Nervosa  
Spring session 2024. Master's Degree in Human Nutrition Science. San Raffaele University, Rome

How Junk Food Marketing Influences Our Appetite  
Spring session 2024. Master's Degree in Human Nutrition Science. San Raffaele University, Rome

Nutrition and Lifestyle in Early Childhood: The Role of Nutritional Education in Preventing Diet-Related Diseases  
Spring session 2024. Master's Degree in Human Nutrition Science. San Raffaele University, Rome

Childhood Obesity and Nutritional Education  
Spring session 2024. Master's Degree in Human Nutrition Science. San Raffaele University, Rome

Gender Differences: Women's Nutrition  
Spring session 2024. Master's Degree in Human Nutrition Science. San Raffaele University, Rome

Vegan Diet Applied to Natural Bodybuilding  
Spring session 2024. Master's Degree in Human Nutrition Science. San Raffaele University, Rome

The Microbiota: Taking Care of Our Ally  
Spring session 2024. Master's Degree in Human Nutrition Science. San Raffaele University, Rome

Effects of Creatine Supplementation on Muscle Hypertrophy  
Spring session 2024. Master's Degree in Human Nutrition Science. San Raffaele University, Rome

Nutrition and Psychological Well-Being: Nutritional Impacts on Mood Disorders and Anxiety  
Spring session 2024. Master's Degree in Human Nutrition Science. San Raffaele University, Rome

Weight Stigma and Healthcare Intervention Strategies for Its Reduction  
Spring session 2024. Master's Degree in Human Nutrition Science. San Raffaele University, Rome

Western Diet: An Investigation into the Connection Between Diet and Gastrointestinal Cancers  
Spring Session 2024. Master's Degree in Human Nutrition Sciences. San Raffaele University, Rome

The Link Between Nutrition and Health in Developmental Age: Focus on the First 100 Days of Life  
Spring Session 2024. Master's Degree in Human Nutrition Sciences. San Raffaele University, Rome

Transition to a Vegetarian Diet: Perceived Barriers and Facilitators  
Spring Session 2024. Master's Degree in Human Nutrition Sciences. San Raffaele University, Rome

Eating Disorders and Vegetarian Diets in Adolescents: A Literature Review  
Spring Session 2024. Master's Degree in Human Nutrition Sciences. San Raffaele University, Rome

Nutrition and Telemedicine: Applications and Health Benefits  
Winter Session 2024. Master's Degree in Human Nutrition Sciences. "Unicamillus" University, Rome

Food and Social Education from Birth to Adolescence: Understanding Nutritional, Qualitative, and Preservative Data of Foods  
Summer Session 2024. Master's Degree in Human Nutrition Sciences. San Raffaele University, Rome

Nutritional Optimization in Football: An Integrated Approach for Athletes and Teams  
Summer Session 2024. Master's Degree in Human Nutrition Sciences. San Raffaele University, Rome

Nutrition and Diabetic Pregnancy  
Summer Session 2024. Master's Degree in Human Nutrition Sciences. San Raffaele University, Rome

Implications of Low-Calorie Diets and Weight Cycling in Combat Sports  
Summer Session 2024. Master's Degree in Human Nutrition Sciences. San Raffaele University, Rome

Sports Nutrition: A Comparison Between Omnivore and Vegan Athletes  
Summer Session 2024. Master's Degree in Human Nutrition Sciences. San Raffaele University, Rome

Responsive Complementary Feeding: A Model for Achieving a Healthy Adult Dietary Lifestyle According to the State of the Art  
Summer Session 2024. Master's Degree in Human Nutrition Sciences. San Raffaele University, Rome

Neuroprotective Properties of Whole Grain Bread with Natural Fermentation  
Summer Session 2024. Master's Degree in Human Nutrition Sciences. San Raffaele University, Rome

Nutritional Management of the Natural Bodybuilding Athlete  
Summer Session 2024. Master's Degree in Human Nutrition Sciences. San Raffaele University, Rome

Feeding and Nutrition of Newborns: From Milk to Weaning  
Summer Session 2024. Master's Degree in Human Nutrition Sciences. San Raffaele University, Rome

Insulin Resistance in Patients with Chronic Viral Hepatitis  
Summer Session 2024. Master's Degree in Human Nutrition Sciences. San Raffaele University, Rome

Dietary Sciences: Strategies and Nutritional Techniques to Optimize Elite Athletes' Performance  
Summer Session 2024. Master's Degree in Human Nutrition Sciences. San Raffaele University, Rome

Diet as a Possible Modulator of Neurodegenerative Pathways: Scientific Evidence, Impact of Dietary Choices, and Future Perspectives on the Development and Progression of Parkinson's and Alzheimer's  
Summer Session 2024. Master's Degree in Human Nutrition Sciences. San Raffaele University, Rome

The Effects of Adequate Physical Activity on Reducing Chronic Low-Grade Inflammation  
Summer Session 2024. Master's Degree in Human Nutrition Sciences. San Raffaele University, Rome

Mediterranean Diet as Therapy in Sleep Management: The Food Pyramid as a Model of Sustainable, Sociocultural, and Communal Diet for Proper Sleep Hygiene  
Summer Session 2024. Master's Degree in Human Nutrition Sciences. San Raffaele University, Rome

Obesity: A Global Problem  
Summer Session 2024. Master's Degree in Human Nutrition Sciences. San Raffaele University, Rome

The Role of Nutrition in Fertility  
Summer Session 2024. Master's Degree in Human Nutrition Sciences. San Raffaele University, Rome

Impact of Social Media on Eating Habits  
Summer Session 2024. Master's Degree in Human Nutrition Sciences. San Raffaele University, Rome

Nutritional Models for School-Aged Children  
Summer Session 2024. Master's Degree in Human Nutrition Sciences. San Raffaele University, Rome

Cancer and Nutrition: Treatment and Prevention  
Summer Session 2024. Master's Degree in Human Nutrition Sciences. San Raffaele University, Rome

Responsive Complementary Feeding: A Model for Achieving a Healthy Adult Dietary Lifestyle According to the State of the Art  
Summer Session 2024. Master's Degree in Human Nutrition Sciences. San Raffaele University, Rome
